**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i live in rural mendocino county california, and we need AT&Ts copper lines here. i love the web, net, whatever you want to call it, but without AT&T's lines, there is NO internet here in this very rural area. the best i can get is dsl. comcast, our only cable provider, is not interested in providing service to the area i live in. if you think that's bad, try wireless service (no, don't bother, it's NOT worth it).

please do not allow AT&T to stop their copper lines.

thank you for (please!, please!., please!!!) paying attention!
